### *recipe for success!*

How to host a sweepstakes

Write each horse's name on a slip of paper and fold them up so nobody can read the names!

Set an entry amount per person.

Normally this is £1 to £5 per horse and depending on how many people you have who want to enter you may decide that people can have several horses each.

Ask everyone in turn to pay their fee and then draw their sweepstake horse.

Make sure you write down who draws each horse.

You can decide how you wish to split the winnings but we suggest a prize for the winner, a smaller prize for second place, and the rest is your fundraising!
